

Following is our schedule of winery visits for the 'Great Paso Robles Wine Crawl'. To give us plenty of time at each winery and to allow you some time to explore on your own, we have scheduled only three wineries per day. The red numbers in parenthesis correspond to the red numbers on the enclosed map. The wineries listed in blue between scheduled winery stops are nearby wineries that we think you might enjoy. Feel free to visit them or any other wineries as time permits. All of the scheduled wineries are hyperlinks-click to visit their website.
